**Subcommittee Members and Interested Persons Present:** Doug Campbell, Sheila Higgins, Kathey Shea, Ed Norman, Holly Coleman, Debi Nelson, Matt Womble, Jackie Morgan, Traci Colley

**NCIOM Staff:** Mark Holmes, Jennifer Hastings

**Proposed Objectives**

The Environmental Risks Subcommittee developed the following draft objectives:

- 1. Water**
  - a. Reduce contaminants in surface water
  - b. Increase the percent of people with access to safe drinking water
- 2. Air**
  - a. Reduce greenhouse gas emissions
- 3. Healthy Homes**
  - a. Increase the number of Healthy Homes inspections
- 4. Occupational Health**
  - a. Reduce non-fatal work-related injuries
  - b. Reduce deaths from work-related injuries

**Next Steps and Other**

The NCIOM is investigating data availability for the above measures. This information will help guide the subcommittee in selecting the final three objectives, as well as the targets, for this focus area. In addition, the NCIOM will take the subcommittee's interest in possibly including an occupational health objective to the steering committee.
