10:15-11:45 WORKGROUP DISCUSSION

**Questions for the workgroup to consider:**

- 1) **What are the underlying drivers of cost for Medicaid and the commercial population? (Based on the data presented in the November and December meetings)**
- 2) **What new models should the state consider to address cost and quality problems in Medicaid? (Note: private payers or organizations may independently choose to test different models; we may want to consider recommendations for State Health Plan at separate meeting)**
- 3) **What are the metrics for success for any new models of care**
  - **Quality, access, costs, value**

- 4) **What infrastructure do we need at the state level to support the development of efficient and effective new models of care (eg, HIT, consolidated data and reporting)**
- 5) **Are there any legal, legislative or regulatory changes needed to facilitate the development of successful innovative models of care**

11:45-12:00 PUBLIC COMMENT PERIOD
