Workgroup Discussion:

- How do we ensure equity in quality across the state?
- How do we make sure to get the right communities involved (i.e., greatest need and capacity to respond)?
- How do we build the capacity in these communities so that they can respond to funding opportunities?
- How do we collaborate and coordinate responses?
- How do we foster connections between non-profits, communities of greatest need, and the state?
- How do we track who's responding to opportunities?

Facilitator: Laura Gerald
