

MEDICAL REIMBURSEMENT DATA CENTER
ACA PROVISIONS

**Sec. 1003 of the ACA (as amending Part C of title XXVII of the Public Health Services Act,
42 USC. 300gg-91 et. seq.)**

“Sec. 2794(c) GRANTS IN SUPPORT OF PROCESS.—

“(1) PREMIUM REVIEW GRANTS DURING 2010 THROUGH 2014.—The Secretary shall carry out a program to award grants to States during the 5-year period beginning with fiscal year 2010 to assist such States in carrying out subsection (a), including—

“(A) in reviewing and, if appropriate under State law, approving premium increases for health insurance coverage;

“(B) in providing information and recommendations to the Secretary under subsection (b)(1); and

“(C) **in establishing centers (consistent with subsection (d)) at academic or other nonprofit institutions to collect medical reimbursement information from health insurance issuers, to analyze and organize such information, and to make such information available to such issuers, health care providers, health researchers, health care policy makers, and the general public.**

“(2) FUNDING.—

“(A) IN GENERAL.—Out of all funds in the Treasury not otherwise appropriated, there are appropriated to the Secretary \$250,000,000, to be available for expenditure for grants under paragraph (1) and subparagraph (B).

“(B) FURTHER AVAILABILITY FOR INSURANCE REFORM AND CONSUMER PROTECTION.—If the amounts appropriated under subparagraph (A) are not fully obligated under grants under paragraph (1) by the end of fiscal year 2014, any remaining funds shall remain available to the Secretary for grants to States for planning and implementing the insurance reforms and consumer protections under part A.

“(C) ALLOCATION.—The Secretary shall establish a formula for determining the amount of any grant to a State under this subsection. Under such formula—

“(i) the Secretary shall consider the number of plans of health insurance coverage offered in each State and the population of the State; and

“(ii) no State qualifying for a grant under paragraph (1) shall receive less than \$1,000,000, or more than \$5,000,000 for a grant year.

“(d) MEDICAL REIMBURSEMENT DATA CENTERS.—

“(1) FUNCTIONS.—A center established under subsection (c)(1)(C) shall—

“(A) develop fee schedules and other database tools that fairly and accurately reflect market rates for medical services and the geographic differences in those rates;

“(B) use the best available statistical methods and data processing technology to develop such fee schedules and other database tools;

“(C) regularly update such fee schedules and other database tools to reflect changes in charges for medical services;

“(D) make health care cost information readily available to the public through an Internet website that allows consumers to understand the amounts that health care providers in their area charge for particular medical services; and

“(E) regularly publish information concerning the statistical methodologies used by the center to analyze health charge data and make such data available to researchers and policy makers.

“(2) CONFLICTS OF INTEREST.—A center established under subsection (c)(1)(C) shall adopt by-laws that ensures that the center (and all members of the governing board of the center) is independent and free from all conflicts of interest. Such by-laws shall ensure that the center is not controlled or influenced by, and does not have any corporate relation to, any individual or entity that may make or receive payments for health care services based on the center’s analysis of health care costs.

“(3) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to permit a center established under subsection (c)(1)(C) to compel health insurance issuers to provide data to the center.”.
