GOTO Meeting Instructions

For those who are unable to attend in person, we are going to stream next Thursday's presentations online through a web application called GoToMeeting.

Please let us know in advance if you are going to use this option. (If we do not hear from anyone, we will not stream the presentations or launch the conference call.)

To participate remotely, you will need a computer with internet access.

To view and listen to the meeting only, log in to gotomeeting using the instructions below and turn your computer speakers on. This will allow you to view the presentations and hear the meeting proceedings. You do not need to call in to the conference line.

To participate in the meeting discussions, you will need to log in to gotomeeting using the instructions below AND call in to the conference call line using the instructions below.

If you have never used GoToMeeting, you may want to connect about 10 minutes before the meeting to download the software first. This takes a few minutes.
