

N.C. Department of Health
and Human Services

Partnership for a Healthy North Carolina

Sandy Terrell, MS, RN

Acting Chief Operating Officer, DMA

Activities to Date

- Request for Proposal in February
 - The Partnership has three main principles:
 - Person-Centered
 - Administrative Simplicity for Providers
 - Financial Predictability
- Listening Tours Statewide
- Office Hours scheduled
- Deep Data Dive

Legislative Charge

- S.L. 2013-360 requires the Department to submit a Medicaid Reform proposal to the General Assembly by March 17, 2014
- The Department must work in consultation with a 5-person Advisory Group comprised of 2 Legislators (1 Senate, 1 House) and 3 Governor-appointed individuals

Next Steps

- Continue the Dialogue
 - State Medicaid Agencies
 - Office Hours

- Listening Tours begin in September
- Changes within Division of Medical Assistance
- Work with the General Assembly Advisory Group and our Stakeholders to develop a comprehensive reform plan by March 17, 2014
