

## ACKNOWLEDGMENTS

The North Carolina's Institute of Medicine's (NCIOM) Task Force on Mental Health and Substance Use convened in June 2015 in Partnership with the North Carolina Department of Health and Human Services: Division of Mental Health, Developmental Disabilities, and Substance Abuse Services. The Task Force was funded by the Kate B. Reynolds Charitable Trust.

The Task Force was chaired by Senator Angela Bryant North Carolina General Assembly, Courtney Cantrell, PhD, Former Director Division of Mental Health, Developmental Disabilities and Substance Abuse Services, North Carolina Department of Health and Human Services, Representative Josh Dobson North Carolina General Assembly, and John Santopietro, MD, FAPA Chief Clinical Officer of Behavioral Health Carolinas Health System. The Task Force's work would not have been possible without their leadership.

The NCIOM also wants to thank the members of the Task Force and Steering Committee who freely gave their time and expertise to address this important issue. The Steering Committee members provided expert guidance and content, helped develop meeting agendas, and identified expert speakers. For a complete list of Task Force and Steering Committee members, please see page 5 of this report.

The NCIOM Task Force on Mental Health and Substance Use heard presentations from multiple experts through the course of the Task Force work. We would like to thank the following people for sharing their expertise and experiences with the Task Force:
